Updates

Happy December!

This month is already flying by – I can hardly believe Christmas Break is in just 2 short weeks.

We are excited to announce that we have hired an additional after school care assistant, Mrs. Biddle! She will be starting the Monday following Christmas break, and will be helping on Mon. & Fri. for the remainder of the school year. She is excited to join the program and is looking forward to getting to know all of the families in ASC!

We will be planning to have a small Christmas Party for the kids on Wednesday Dec. 17th.
