Virtue Based Restorative Discipline

The essence of Christian discipline is formation in virtue. According to the Catechism of the Catholic Church: "The goal of a virtuous life is to become like God." (CCC 1803)

The purpose of VBRD is twofold: 1) increase our knowledge of virtuous behavior 2) help us live the virtues daily and recognize when we need virtue.

Guiding Principles

1. We will dedicate ourselves to living virtue.
 - a. Catholic virtues will be taught from Scripture and Catechism, and we will prayerfully discern which virtues to work on as a school community each year.
2. We will support others in living virtue.
 - a. We will share what we learn freely with others and offer encouragement by acknowledging the good.
3. We will commit to constructive thoughts, words, and deeds.
 - a. We will refrain from gossip, rumors, criticizing and judgement, as these attempts to detract from the good name we are given by God.
 - b. We will train our thoughts to be kind, be prudent in our speech, and temperate our actions to achieve personal holiness within the community.
4. When faced with challenges or conflict, we will find solutions that cultivate virtue for ourselves and for one another.
 - a. As we prayerfully attend to conflict, we will uphold the human dignity assigned by God when dealing with one another. Virtues will be expressed and practiced in identifying the injustice, restoring equity, and working to reach common agreements that promote peace and restore harmony.
