

Christ the King Catholic School

2024-2025

CKCS Virtue Pledge

As a Christ the King Catholic School Crusader, I dedicate myself and support others in living virtue. I commit to constructive thoughts, words, and deeds, and when faced with challenges or conflict, I will find solutions that cultivate virtue.

CKCS Mission Statement

The Mission of Christ the King Catholic School is to embrace and form the whole child - mind, body, and spirit. In partnership with parents and the parish community, faculty and staff challenge students to grow in virtue and confidence, think critically, strive for academic excellence, deepen their faith, and serve with compassion.

CKCS Philosophy

We believe in:

- Developing the whole child - body, mind, and spirit.
- Partnering with parents who are the primary educators of their children.
- Providing rigorous academics to prepare students for high school and beyond.
- Fostering a service-oriented spirit through Gospel values and faith formation.

Virtue Based Restorative Discipline

The essence of Christian discipline is formation in virtue. According to the Catechism of the Catholic Church: "The goal of a virtuous life is to become like God." (CCC 1803)

The purpose of VBRD is twofold: 1) increase our knowledge of virtuous behavior
2) help us live the virtues daily and recognize when we need virtue.

Guiding Principles

1. We will dedicate ourselves to living virtue.
 - a. Catholic virtues will be taught from Scripture and Catechism, and we will prayerfully discern which virtues to work on as a school community each year.
2. We will support others in living virtue.
 - a. We will share what we learn freely with others and offer encouragement by acknowledging the good.
3. We will commit to constructive thoughts, words, and deeds.
 - a. We will refrain from gossip, rumors, criticizing and judgement, as these attempts to detract from the good name we are given by God.
 - b. We will train our thoughts to be kind, be prudent in our speech, and temperate our actions to achieve personal holiness within the community.
4. When faced with challenges or conflict, we will find solutions that cultivate virtue for ourselves and for one another.
 - a. As we prayerfully attend to conflict, we will uphold the human dignity assigned by God when dealing with one another. Virtues will be expressed and practiced in identifying the injustice, restoring equity, and working to reach common agreements that promote peace and restore harmony.

School-wide Learning Expectations

At Christ the King, our goal as Catholic educators is to help students become capable, responsible, and conscientious members of their local community, nation, and the World. We measure those qualities through our Schoolwide Learning Expectations (SLEs) in the areas of Community, Academics, Faith, and Virtues.

In their Community, CKCS students will . . .

- Respect all people.
- Respond compassionately to the needs and rights of others.
- Collaborate positively with peers and work to a common goal.
- Serve our community through works of love and active service.

In their Academics, CKCS students will . . .

- Strive to achieve Washington state and diocesan learning standards.
- Set reasonable goals and persevere in working towards them.
- Articulate ideas clearly and competently through oral, written, and visual methods.
- Demonstrate content knowledge through research, reasoning, and critical thinking.
- Utilize technology and the creative arts to enhance communication and presentation.

In their Faith, CKCS students will . . .

- Show reverence for the sacredness of life and the dignity of all human beings.
- Participate in liturgical traditions, sacraments, and prayer of the Catholic faith.
- Grow in knowledge of Scripture, Catholic Tradition, and Church Teachings.
- Practice strategies for moral and ethical decision making grounded in Catholic virtues.

In living Virtues, CKCS students will . . .

- Reflect Christ's example by cultivating virtue in self and others.
- Apply the Catholic virtues of hope, justice, and humility when facing challenges.
- Develop a sense of self-discipline and temperance to support personal well-being.
